

Patrix is looking for New Super Heroes to our Advisory Services Team!

Do you have a deep understanding of project management and want to assist new and existing customers with various tasks such as:

- Migration of data
- Configurations and setup of our state- of -the- art IP Management software Patricia TM
- Training users of our software
- Lead webinars and demos
- Assist in maintaining training documentation and manuals up to date
- Testing of new features and in Patricia TM
- Hot-line support via mail, web and phone directly with our customers all around the world

If your answer is yes we would love to work with you!

We are looking for a meticulous and self-directed project leader. The ideal candidate must be comfortable working in a deadline-style work environment and be able to coordinate with multiple teams across the organization. Attention to detail, time management, the ability to manage both up and down, and a strong work ethic are

must-haves. You must be fluent in English and a great advantage if you master Spanish or French.

'Alone we can do so little; together we can do so much'. We are a great team – we work closely together to make things happen. We would love to welcome you to our Patrix- family if you fit into the above description and are interested in joining us.

Please send your application to careers@patrix.com

For more information, please contact Therése Andersson Ciardo at tan@patrix.com. (Please note that most of our project leaders work from home so you don't have to live in Sweden.)
